

District Improvement Actions Performance Data Dashboard (Revised)

Fremont Unified School District

Exceeds Target

Meets Target

Improving but needs
continued focus

Flat or Declining
versus Target

Data Not
Available

Data dashboard is a tool to review performance targets; typically it requires disaggregation to understand underlying drivers

The dashboard is meant to focus attention on the most critical factors of success; promote critical/insightful questions and identify potential interventions

Exceeds Target: Outcomes exceed all targets

Meets Target: Outcomes meet all targets

Improving But Needs Continued Focus: Outcomes do not meet targets but show improving trend

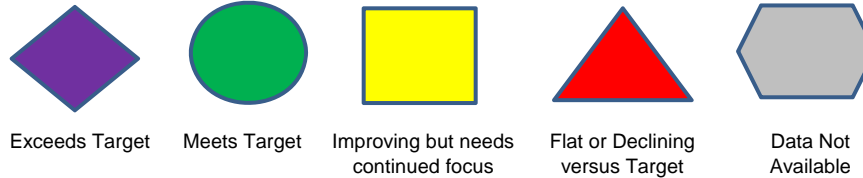

Flat or Declining versus Target: Outcomes do not meet targets

#	Focus Area	Success Indicator	2008-2009	2009-2010	2010-2011 Data	2011-2012 Goal	Dashboard Light Status (Symbols Above)	Board Tenet
1	Improved Student Achievement	District Academic Performance Index (API)	861	868	877	885		1, 2, 3, 7
2	Improved Student Achievement	Graduation Rate	94%	92%	94%	95%		1, 2, 3, 7
3	Improved Student Achievement	Percent of 10th grade students passing the California High School Exit Exam	82%	82%	79%	83%		1, 2, 3, 7
4	Improved Student Achievement	Percent of English Learners redesignated to Fluent English Proficient	15%	18%	19%	20%		1, 2, 3, 7
5	Improved Student Achievement	Percent of students who participate in service learning	23127	24206	25216	27000		1, 4, 5
